OceeDesign_Stng_Alfi_ChaiseLounge

File Features

- Multiple Types in File (see below)

- Multiple Finishes (see manufacture brochure)

Predefined Types

Family Type	Width	Depth	Height
Left Arm	2005	815	775
Right Arm	2005	815	775

OceeDesign_Stng_Alfi_Corner

- Multiple Finishes (see manufacture brochure)

Predefined Types

Family Type	Width	Depth	Height
Corner	815	815	775

OceeDesign_Stng_Alfi_Sofa

File Features

- Multiple Types in File (see below)

- Multiple Finishes (see manufacture brochure)

Predefined Types

Family Type	Width	Depth	Height
2 Seater with No Arms	1310	815	775
2 Seater with Both Arms	1920	815	775
2 Seater with Left Arm	1630	815	775
2 Seater with Right Arm	1630	815	775
3 Seater with Both Arms	2605	815	775
3 Seater with Left Both	2285	815	775
3 Seater with Right Arm	2285	815	775

1. LOAD IT

The range can consist of one or more Revit families, these contain predefined types as outlined above in the predefined types and the manufactures brochure.
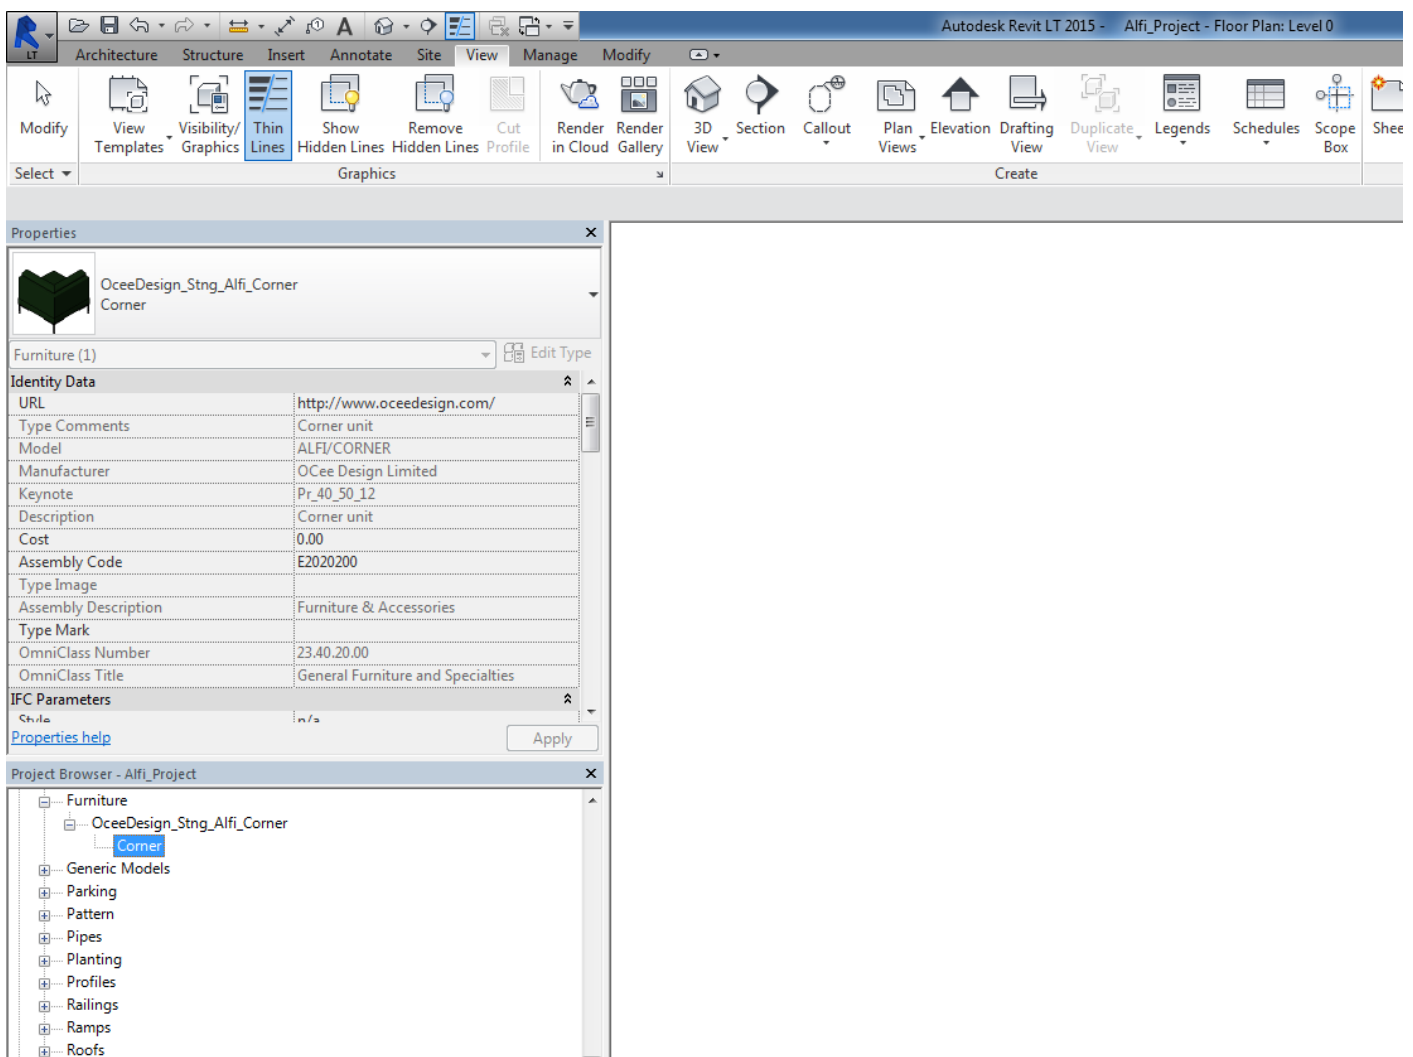

After downloading and saving the file to a suitable location go to 'Insert Tab/Load Family…'

A simple guide to using your Revit Ready file.
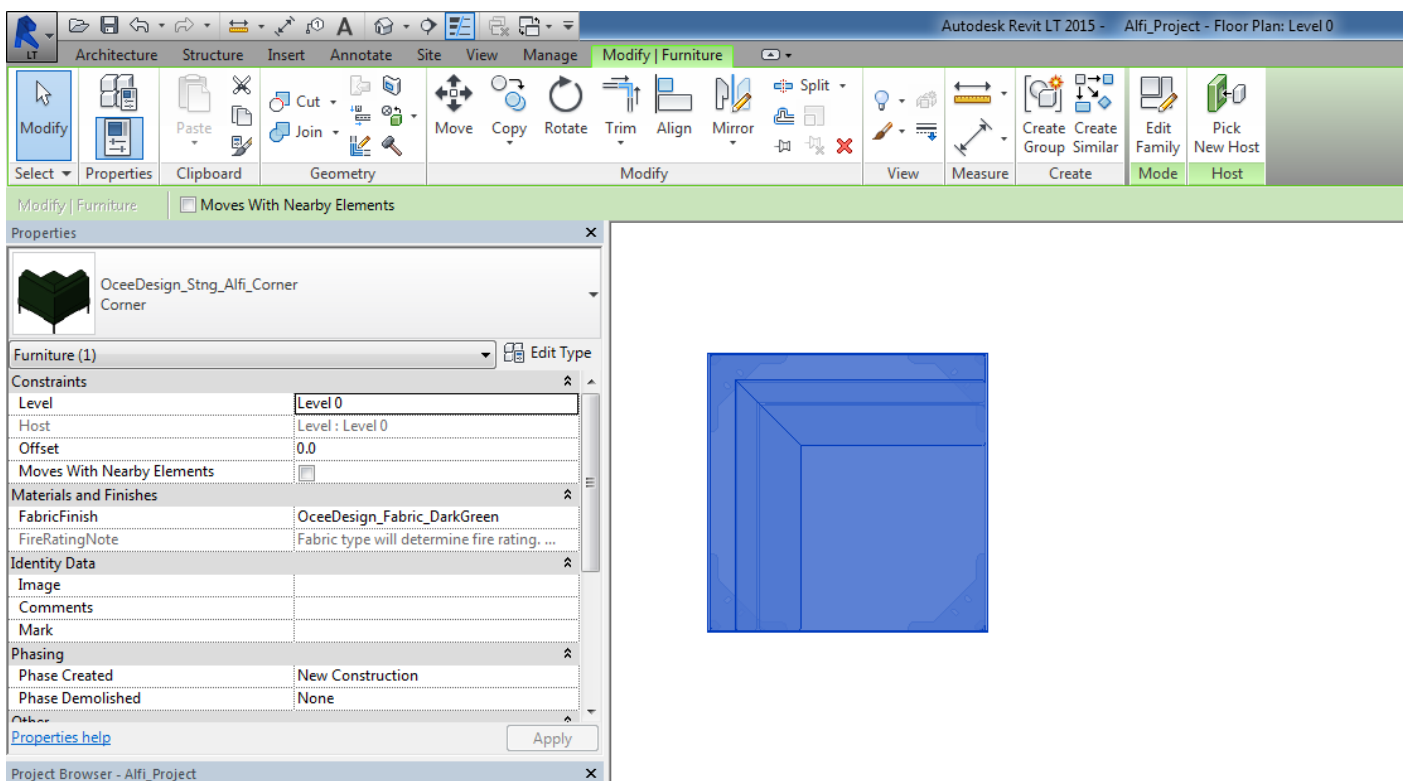

2. USE IT

Once your family is loaded in, it will be located in the 'Project Browser/Families/Furniture' tab. Types are named in a way to ensure ease of selection. Click and drag your chosen item into your floor plan.

3. CUSTOMISE IT

Once an item is selected it will turn blue, the properties panel will then display the parameters available. Here you will be able to make changes to the finishes. All material options will load in with the family, click the 'materials and finishes' parameter to view.

This component has been created by Diane Butterworth Ltd following the manufacturer's specification.

We hope our Revit files are a helpful tool in space planning and visualisation. We take care in ensuring all dimensions and features match manufacturer's literature, however actual product may vary slightly.

We would love to hear from you if you have any questions or feedback, please email hello@dianebutterworh.com

Thank you for using this BIM file,

Db Diane Butterworth
