

MALVERN

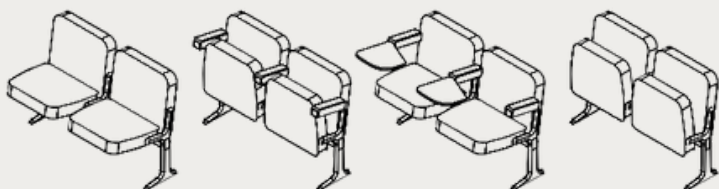

Perfect for venues with a wide range of functions.

Malvern seat is a versatile beam-mounted seating system. Its modular, aluminium-framed design is highly adaptable, making it especially suitable for venues with a wide range of functions. With fewer floor fixings than conventional seats, Malvern makes it simple to add free-standing units. The range can be supplied fixed or fully removable.

Features and options:

- Available in fixed 2, 3 and 4 seat place width modules
- Wide choice of finishes, upholstery, and show wood styles
- Fixed and removable options
- Bespoke seat dimensions
- Customisable arm rests and end panels designs
- Optional foldable writing tablet
- Integrated seat signage.
- Typically, seats are all FSC® approved, and contain 80%+ recycled steel content
